Honoured Sir

I the Secretary of the Mysore State Adikarnataka Abhivriddhi Sangha Bangalore most humbly and respectfully beg to bring the following few lines to your kind and sympathetic consideration with a view that my humble prayer would meet with success --

I beg to bring to your kind notice that one Mr G Lingiah an A Kby caste and residing at Adikarnatakapuram Mysore City is a member of our sangha and is rendering very valuable service in different capacities as President of Adikarnataka Co operative Society, As vice President of the Mysore District A K Abhivirddi Sangha, Member of the District Advisory Committee, District Scholarship Committee, The taluk Hobli Works committee etc etc In the above capacities he is working hard in the interest of the community leaving no stones unturned

Now he has undertaken a most remarkable work of constructing a Sisuvihara at Mysore as a pioneer of the community in the Child Welfare service It is prisewothy to say that he is the first person to render such service to the community in the State among the A Ks

With these few facts as he richly deserves encouragement I request you kindly to nominate him as a councillor to the City Municipal Council Mysore City and thus to enable him render greater services to the poor classes Hoping that you would be pleased to encourage him

Respected Sir,

I the undersigned beg to bring the following few lines for your kind consideration and favourable orders

I am a Municipal Councillor for Mandi Mohalla since six years ie 1940 I have rendered services for the sake of Public what was possible from me and have shown entire satisfaction in my work.

There is another main point to put before you that is, the Community of Yadava persons at Mysore is too small and there is none to stand as Municipal Councillor when I am. My name in the voters list was published as M V Venkataramaniah instead of M V Venkataramiah due to this I could not stand as Councillor, hence I humbly and respectfully request you to kindly provide one seat for me at least in Nomination just because to give proper encouragement to our Yadava Community

I am incapable to put any more words before you and I hope you will consider the said facts deeply and may appoint as a Municipal Councillor

For which act of kindness I shall be ever remain grateful

Yours sincerely,

Municipal Councillor,

Sir,

Subject - Nominations to the Mysore City Municipal Council to be reconstituted from 3rd January, 1947

In continuation of this office letter No M5 P 80/46-47 dated 15-11-1946 intimating the results of the Mysore City General Municipal Elections held on the 14th inst , I have the honour to state that, exclusive of the President who will be an additional Councillor and 24 persons elected, the remaining 6 seats in the Council to be re-constituted have to be filled up by nomination Particulars given below indicate the communities represented by the 24 persons who have now been elected -

	Community	No of seats	Population of the Community in the City (as per Census of 1941)
1	Brahmins	10	30,118
2	Vokkaligars	2	14,943
3	Lingayet	2	6,263
4	Kunchatigars	2	1,451
5	Darji	1	2,028
6	Kuruba	1	6,482
7	Vaisya	1	2,607
8	Devanga	1	1,774
		24	

Among the communities which have failed to secure representation to the Council through the Elections, the most important are (1) Muslims (2) Adikarnatakas (3) Christians and (5) Ursus The practice in making nominations to the Council previously has been, out of six seats, to give three to representatives of the Muslim community (population 25,889) and one each to those of the Adikarnataka (population 14,403) Christian (population 5521) Kshatriya (population 2908) communities In making/nominations to the new Council, it is proposed, following the same practice, to fill up three out of six seats by persons

of the Muslim community and to allot one seat each to the Adikarnataka, Christian and Ursu communities Accordingly, a list of persons who may be nominated from these unrepresented communities, with the necessary particulars regarding each, is given below for the consideration of Government

Names of persons	Community	Remarks
1 Mr T S Ali Khan	Muslim	A long-standing member and is in the existing Council May be continued in the next one also in view of his influential position and long experience of Municipal matters
2 Mr Mohamed Sait	Muslim	Nominated to the existing Council May be continued in the next constitution also as he wields considerable influence and is a person with independent views
3 Mr Gulam Ahamed Khan or Mr Haji Mir Amiruddin Khuraishi	Muslim	Mr Ahamed Khan was nominated to the existing Council He is away on Haj Pilgrimage and it is not certain if he will be back in Mysore before 3rd January, 1947 Mr Haji Mir Amiruddin Khuraishi who had been nominated during a previous term of the Council (41-43) may be nominated Out of these alternative names that of Mr Khuraishi seems preferable
4 Mr F C Devaraj Urs	Ursu	An old member and is also in the existing constitution He may be nominated again as he is a person with public spirit and zeal for social service
5 Mr K Siddiah or Mr G Lingiah	Adikarnataka	Mr K Siddiah was nominated to the existing Council Mr Lingiah was also nominated during a previous term (37-40) Mr Siddiah has the advantage of knowing English and is also a more active and zealous worker in the uplift of his community than Mr Lingiah, and therefore seems preferable to the latter
6 Mrs W H Theobald or Mr D Sumitra, B A , B L M Ed ,	Christian	Mrs W H Theobald is also in the existing Council Two ladies viz , Sri M R Lakshamma and Seethamma having been returned by election, the nomination of Mrs Theobald would bring the number of lady Councillors in the new Council to 3 Mr D Sumitra, Principal, Methodist Mission School, would be an alternative choice, as he is highly educated and seems eager to render public service and to serve his community It may be added that

he stood as a candidate for the election from Chamaraja Mohalla, but was unable, due to Congress opposition, to secure sufficient number of votes. If this is not a disqualification, he may be given a chance in preference to Mrs W H Theobald who has already had her turn

Mention may also be made of other persons who have sought nomination viz , (1) Kamati Narasimhachar (Viswakarma) (2) Ugrappa, son of Ganjam Mallappa (Kunchatigar) (3) Mr S G Beluriah (Nayananda) (4) Mr B L Maridandiah (Adikarnataka) (5) Thammiah (Vokkaligar) Kunchatigar and Vokkaligar communities have secured representation through elections and therefore there seems to be no need to consider the names of Messrs Ugrappa and Thimmiah Messrs Narasimhachar and Belurian do not seem to be sufficiently well-known or influential in the City As regards Mr Maridandiah, he was once nominated to the Council (41-43) but both Messrs K Siddiah and G Lingiah, whose names have been proposed for nomination, are better representatives of the Adikarnataka community In the above circumstances, the nomination of none of the five persons mentioned above has been recommended

I request that the names of persons to be approved by Government for nomination to the six seats in the Council to be re-constituted from 3rd January 1947 may kindly be caused to be notified, under Rule 9 (1) B2 of the City Municipalities Act, along with those of the 24 elected persons whose names have already been intimated

Dear Sir,

In connection with the ensuing reconstitution of the Mysore City Municipal Council for which elections were held on 14-11-46 and the only Christian candidate was defeated, I beg to apply for Nomination to the reconstituted Council.

I was Nominated to the present Council by Government and by being renominated to the ensuing Council, I would be representing various interests not covered by the present elections These being - (1) Christian , (2) Anglo-Indian , (3) Domiciled European (Permanent)

I may mention that I have rendered a lot of Public Service in the State for which I was awarded the Kaiser-i-hind Medal And I was the first Lady Member of the Mysore City Municipal Council and was a Member of the Representative Assembly for several years, by nomination as well as by election

Thus, I have the required knowledge and experience, and I believe I have rendered good service and justified the confidence placed in me by Government in Nominating me to the present Council

Therefore, I request you to be so kind as to give this application of mine your sympathetic consideration and approve of my being Nominated

Thanking you

Respected Sir,

With due respect I beg to bring the following to your kind consideration -

You must have heard about the Municipal Election recently held in Mysore City and its result Because of the short time we had to cover this large area and see the large number of voters, it was not possible to work and get at the voters to our satisfaction So the independents including myself were not successful

I had very good support from many intelligent and educated men and women in Chamaraja Mohalla They voted for me and expected that I would be one of the elected members They were very disappointed when they came to know the result I have a very strong desire to serve the public of Mysore but now that I am not elected I am unable to do so

I understand that usually one Christian is nominated to the Council All these years the late Rev G W Sawday was on the Council by nomination and afterwards some ladies have been nominated I have stood fairly high in the election by getting 330 votes So, I request you to kindly give me a chance this time by nominating me to the Council and enable me to fulfil the desire of serving the public

Sometime back I submitted a manifesto for your kind perusal, wherein I have stated the desire with which I wish to be of some service to the public All other persons such as, Lawyers, merchants, Landlords etc represent the Council but never an educationist till now So I thought I could serve in this direction also while the attention of other members are consentrated in other ways

Trusting that this will receive your kind and sympathetic consideration

I beg to remain,

Yours most respectfully,

Honoured Sir,

I beg to bring the following to your kind consideration

I am a Linga yet and I have spent a fairly good part of my life in public service I have associated myself with many social and public organisations and have worked therein zealously and sincerely It has been my endeavour to be of use to the Citizens of Mysore City in so many capacities It was this motive which impelled me to contest the Mysore City Municipal Elections in November 1946 as an independent candidate from the Lashkar Mohalla constituency The independent candidates suffered a set back on account of the unlawful and misrepresentative propaganda carried both by the Congress and the Muslim League Had it not been for many abstentions and many mistakes committed by the Voters, the independents may have succeeded

It is my earnest desire that I should serve on the Municipal Council as a representative of the Lingayet Community which has no representation on the Municipal Council I beg to assure you that if you kindly afford me a chance to sit in the Municipal Council, as a nominated member, I shall do my best to do my duty to the cause of truth and of fair deal and shall stand by all measures taken in the interests of the citizens of Mysore

I am confident you would kindly bestow your sympathetic consideration to my request for which act of kindness, I shall feel grateful to you

Dear Sir,

My wife has applied to you for being renominated to the Mysore City Municipal Council to represent Christian interests, when it was reconstituted in January 47

I wish to point out that there should be no objection for Re-nomination, as there is a Municipal Councillor who has been nominated by the Government to the Mysore city Council, without a break for nearly past 25 years (T S Ali Khan)

If however her application should

not commend itself to you Sir
two ladies have been elected, though
I must point out there is a demand
for greater representation of ladies on
Public Bodies, I beg to request
that I be kindly nominated to
represent Christian interests

May I point out that I was a
Municipal Councillor of Ryde City
for nearly 12 years (elected) and
am well versed with the peculiar
duties & responsibilities attached
to public work of this nature

thanking you

Yours sincerely

E M Theobald
